

Dear Mad Reading folk,

Join us in April where we'll be switching it up a bit - Jo will lead the topic **Madness in Music**, and we'll talk about portrayals of madness in songs we love or hate or have complicated feelings about. [Here's a playlist](#) to start us off, and we'd love it if you added songs to this!

Date:

Tuesday 18th April

Time:

7pm-8.30pm (Melbourne time – reminder that Daylight savings has ended so we are in Aus Eastern Standard Time now)

Calendar invite:

[Available here for those who wish to add to google calendar](#)

Meeting ID: 843 5450 7013

Potential discussion questions:

1. What songs can you think of that refer to Madness/mental health? How do you feel about these songs?
2. How does music reflect or shape conceptions about Madness in popular culture?
3. What experiences of Madness do you wish there were songs about?

Big thanks to Jo and Unmana for putting this session together – reminder if you're interested in leading the next session in May, please get in touch!

Looking forward to seeing you all then,

Antonia and Zara
